Thursday 1st April, myself, Dale Bratt and Sam Nicklin went to represent our DA / Region and Country on the FICC Youth Rally in Rome. After all the excitement waiting for so long. The time finally came and we had so much fun. Making new friends from as far away as Holland and Slovakia, and even just seeing people from the National Youth Rallies we previously attended. Someday's we would go out for the day and see Rome, and such amazing landmarks as the Coliseum and the Spanish Steps. We went on an open top bus and enjoyed a fantastic tour of the City. Other days we would stay around the pool in the sun. The nights were fantastic, what an experience! We had the opportunity to also see "Rome by Night". If we didn't go out everyone would go into the club and have a disco. We really enjoyed this experience and would like to thank the D.A for supporting and subsidising us. Now we are already looking forward to next year in Finland.
